Costing Methodology Update

Mr. George Harris

Costing Methodology

- Background
- Current Status
- Way Ahead

Background

The Costing Methodology activity was established as one of the six initiatives that will assist in achieving the vision and objectives of the electronic publishing plan.

Also, to implement a repeatable methodology for calculating overall Publishing Program cost by fiscal year.

Mr. George Harris

Current Status

- Participants: MAJCOMs, DRUs & FOAs
- Number sent: 49
- Number received: 8
- Follow-up being accomplished

Way Ahead

- We need good data
- We need data returned in a timely manner
- Collected information will be shared
